RE: Amended May monthly report (4/01/95-4/30/95) dated 11/22/95, November  
Monthly Report (10/01/95-10/31/95), December Monthly Report (11/01/95-  
11/30/95).

Mr. Averett:

Enclosed please find amendments to the reports referenced above.

Black America's Political Action Committee continues its efforts to obtain contribution information. We continue to have discussions with our fundraising organizers in an effort to fully comply with FEC regulations. Enclosed is a copy of an initial solicitation as well as a copy of the follow-up request for contributor information, both of which contain requests for the necessary information as required under federal election law.

In addition, with regard to the excessive contribution, we are seeking a redesignation of the amount in excess (\$1,000.00) to be transferred to the BAMPAC state account, and will report as such when the authorization is received.

We apologize for any inconvenience and are making every effort to disclose the necessary information. Please do not hesitate to contact us if you have any questions.

Sincerely,

*Mark Hambrick*

*"With the support of key conservative leaders like you again today, I feel that the 1994 House and Senate elections could see the start of an historic realignment of black voters to the Republican Party and to conservative candidates."*

**Letter to Advisory Board Members**  
**January 4th, 1994**

December 20th, 1994

Dear National Advisory Board Founding Member:

I'm pleased to award you the enclosed 1995 Certificate of Appreciation for your support of black conservatives and Black America's PAC.

I've had it inscribed with your name and the date you became a founding member of our national advisory board.

Now that a new year is about to begin with Republican majorities in both the House and Senate, I hope you'll take a moment now to renew your support for 1995 because we have much more work to do building support for the conservative agenda in the black community.

The November 8th elections proved that the rise of black conservative candidates in Republican ranks has only begun. The elections also showed that the party of Abraham Lincoln can again enjoy the allegiance of black voters.

For example, California Republican Governor Pete Wilson was re-elected with 21% of the black vote. Ohio Governor George Voinovich won an incredible 40% of black voters. Those numbers are a far cry from the 10% GOP candidates usually poll.

What's more, with the help of Black America's PAC, black Republican candidates J.C. Watts of Oklahoma and Gary Franks of Connecticut won their House races. Now they are

1710 Underpass Way \* Hagerstown, MD 21740-6924

poised to offer an alternative to the radical leadership of the Congressional Black Caucus.

Also with the help of Black America's PAC, two more black conservatives won statewide offices: Vikki Buckley, now secretary of state in Colorado, and Ken Blackwell, Ohio's new state treasurer.

The liberal lock on black voters is beginning to crack. Black voters have shown that they will support Republicans -- white or black -- in large numbers. And having more black conservative officeholders means that the left-wing radical influences of Jesse Jackson, the NAACP, and the Congressional Black Caucus have begun to weaken in the black community.

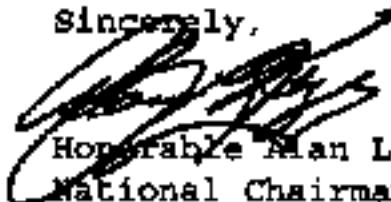

But despite all the good news in these particular races, some 92% of black voters nationwide still supported Democrats on November 8th.

That means that you and I still have a lot of work to do recruiting black voters and making sure the Congressional Black Caucus doesn't derail our conservative agenda.

Will you help me? I've suggested two contribution amounts on the enclosed reply. To help us build on our success, I hope you can renew your support for 1995 with the larger amount. But I'm counting on you to send at least as much as you did before.

With the loyal support of founding advisory board members like you, Black America's PAC can change the American political landscape for the better.

Sincerely,

Honorable Alan L. Keyes  
National Chairman

P.S. If you would be so kind as to renew your support before the end of January, it would help us make plans based on our financial resources. I've already put a stamp on your return envelope for you. Thank you for your continued support as a Black America's PAC Founding Advisory Board Member.

**Black America's Political Action Committee  
1995 National Advisory Board Founding Member Renewal**

Mr. Keyes, thank you for my certificate. I'm proud to be part of an effort to build support for the conservative agenda in the black community and recruit more minority voters to the conservative cause. So I'm enclosing my 1995 renewal contribution in the amount of:

\_\_\_ \$25. That's how much I sent before.

\_\_\_ \$37. I'm sending more because I want us to replace the influence of black radicals in the black community with support for the conservative agenda.
